*This Record of Public Involvement was financed in part by the U.S. Department of Transportation, Federal Highway Administration, Federal Transit Administration, Alabama Department of Transportation, and local governments, and prepared for the RPO by the South Central Alabama Development Commission in partial fulfillment of Task 5.7 of the FY 2025 RPO Work Program and requirements set forth in 23 USC 134 and 135 (as amended by the Infrastructure Investment and Jobs Act 11201, November 2021).*

# 1. Introduction

Under an agreement with the Alabama Department of Transportation, the South Central Alabama Development Commission (SCADC) has continued a rural transportation planning program for the 2024-2025 fiscal year, covering the period from October 1, 2024 through September 30, 2025. The study area for the South Central Alabama Rural Transportation Planning Process includes the six counties, and the 26 municipalities located therein, that are served by the SCADC, in their entirety. These counties are Bullock, Butler, Crenshaw, Lowndes, Macon and Pike Counties. (See the map on the following page.) There are no urban areas in these counties. The South Central Alabama area is served by two interstate highways, six federal highways, and 20 major state highways. These highways offer both north-south and east-west regional access as well as access throughout the South Central Alabama area.

The purpose of the ongoing program is to assist the Alabama Department of Transportation in carrying out a Statewide Transportation Planning Process, as outlined in the Infrastructure Investment and Jobs Act 11201, 23 USC 134 and 135, by establishing a continuous and on-going rural transportation planning process that will aid in the identification of rural transportation needs and issues of the South Central Alabama region. During the FY 2025 Rural Transportation Planning Program, rural transportation stakeholders and committees identified types of rural transportation priority projects that are common across the South Central Alabama Region. Citizen stakeholders in each county, however, identified specific rural transportation needs, issues and safety concerns.

Public involvement in the rural transportation planning program in South Central Alabama region continues to be a challenging, yet critically important, part of the process. Since the beginning of the South Central Alabama Rural Transportation Planning Process in 2006, the number of rural transportation stakeholders increased from 439 stakeholders in 2007 to 687 stakeholders during the 2025 fiscal year. During the 2024-2025 fiscal year, the following five public involvement activities were conducted by the South Central Alabama Development Commission:

- One Steering Committee Meeting;
- Two South Central Alabama Development Commission Board Meetings;
- ALDOT Statewide Bicycle and Pedestrian Plan Update Meeting Notification
- Rural Transportation Stakeholder Input
- Notasulga Comprehensive Plan Transportation

## The South Central Alabama Rural Transportation Region

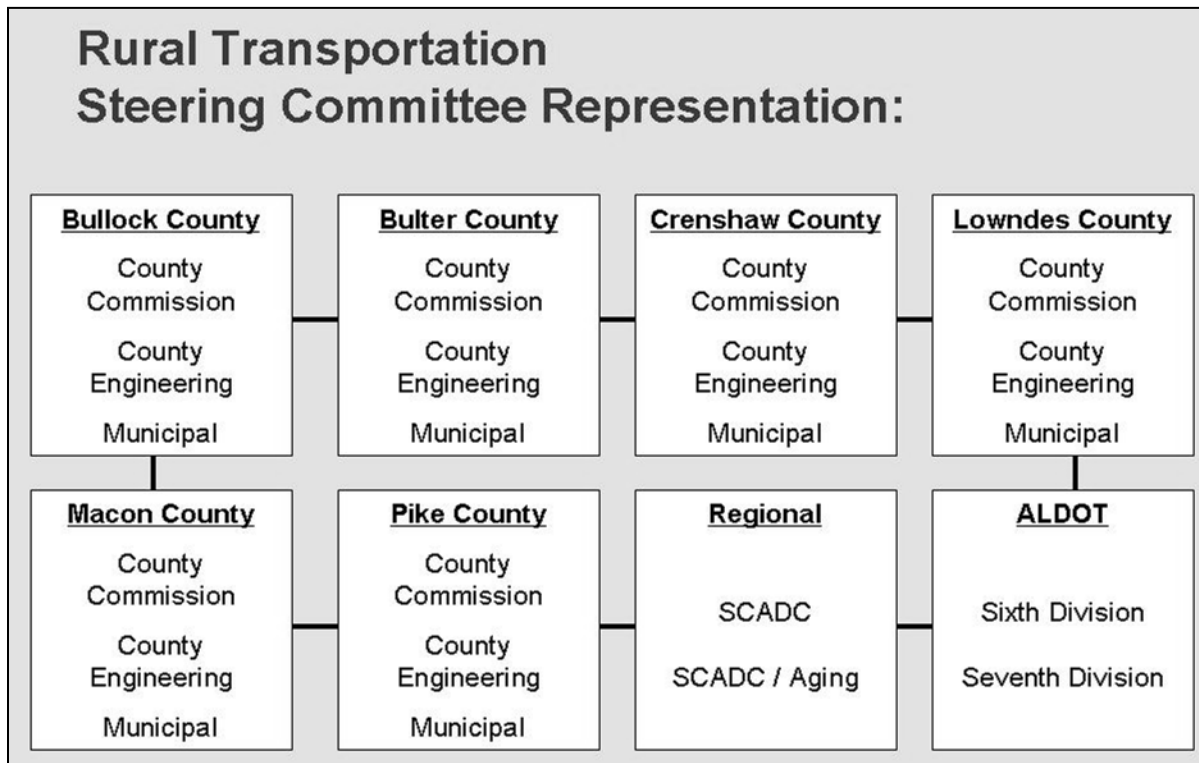

**Region 5: South Central Alabama**

## 2. Committee and Board Meetings

A joint meeting of the South Central Alabama Rural Transportation Steering Committee and Advisory Committees was scheduled for Wednesday, September 17, 2025. The meeting was held at the South Central Alabama Development Commission office, located in Montgomery, Alabama. Steering and Advisory Committee members were notified by e-mail with a meeting notice. Additionally, the general public was notified of the Steering Committee meeting by newspaper advertisement in six newspapers in the region, by email, and by postcards. The following items are included for the Steering Committee meeting as documentation of the public involvement process followed in conducting the South Central Alabama Rural Transportation Steering Committee meetings: meeting notice, advertisement, meeting flyer, meeting agenda, meeting minutes (which includes attendance), and all meeting material that was distributed.

The South Central Alabama Rural Transportation Steering Committee is comprised of 22 members representing all six counties, the Alabama Department of Transportation, and the South Central Alabama Region. Committee structure is shown below and a list of the Steering Committee members is provided on the following page.

**South Central Alabama Rural Transportation Planning Process**  
**STEERING COMMITTEE MEMBERSHIP**  
**Fiscal Year 2025**

**Bullock County**

Chairman Alonzo Ellis, Jr.	Bullock County Commission
Mr. Jason DeShazo	Bullock County Engineering
Mayor Mildred Whittington	Town of Midway

**Butler County**

Commissioner Joey Peavy	Butler County Commission
Mr. Dennis McCall	Butler County Engineering
Mayor Dexter McLendon	City of Greenville

**Crenshaw County**

Chairman Charlie Sankey, Jr.	Crenshaw County Commission
Ms. Michelle Royal	Crenshaw County Engineering
Mayor Ed Beasley	City of Luverne

**Lowndes County**

Commissioner Joseph Barganier	Lowndes County Commission
Mr. David Butts	Lowndes County Engineering
Mayor Jacquelyn Davis-Boone	Town of Fort Deposit

**Macon County**

Chairman Louis Maxwell	Macon County Commission
Mr. George Sims	Macon County Engineering
Mayor Rheba Knox	Town of Franklin

**Pike County**

Chairman Robin Sullivan	Pike County Commission
Mr. Derick Donaldson	Pike County Engineering
Ms. Melissa Sanders, Representative for Mayor Jason Reeves	City of Troy

**South Central Alabama Region**

Mr. Tyson Howard	SCADC
Ms. Jennifer Kilpatrick	SCADC / Aging

**Non-Voting Members**

Mr. Robert Shugart, Jr.	ALDOT, Southeast Region Montgomery Area Local Transportation Engineer
Mr. Aaron White	ALDOT, Southeast Region Troy Area Local Transportation Engineer

## **South Central Alabama Rural Transportation Planning Organization Steering Committee Meeting**

September 17, 2025

The 25<sup>th</sup> South Central Alabama Rural Transportation Planning Organization Steering Committee Meeting was held on Wednesday, September 17, 2024 at the offices of the South Central Alabama Development Commission, located at 5900 Carmichael Place, Montgomery, Alabama 36117. The Steering Committee meeting was held as a joint meeting with the six rural transportation county advisory committees, as well as stakeholders for the 2025 Human Services Coordinated Transportation Plan Update. Documentation for the meeting includes the following:

- (1) Newspaper Advertisement
- (2) Email Notification
- (3) Meeting Agenda
- (4) Meeting Attendance Roster
- (5) Meeting Minutes
- (6) Steering Committee Material Distribution and
- (7) Steering Committee Presentation

2025 SCARPO Needs and Issues Newspaper Ad - 3 col x 3.pdf  
443 KB

Hello!

I am sending a pdf file of a display ad for next week's newspaper.

Please run the attached 3 col x 3 inch ad on either **September 3, 2025 or September 4, 2025** in the following newspapers:

- Greenville Advocate
- Luverne Journal
- Lowndes Signal
- Troy Messenger
- Tuskegee News
- Union Springs Herald

**Please respond to this email with confirmation of run date and cost to run the ad. If you are unable to place the ad on the requested date, please let me know immediately.**

**Send affidavits or tear sheets to:**

Tracy Delaney  
12 Overlook Pass  
Enterprise, AL 36330  
[dcs@roadrunner.com](mailto:dcs@roadrunner.com)

Send invoice with "**Project # 374025 – RPO**" on the invoice to:

South Central Alabama Development Commission  
5900 Carmichael Place  
Montgomery, AL 36117

If you have questions or need further information, you can contact by email or call me at 334-590-0655.

Thank you!

Tracy Delaney

## **(7) Steering Committee Meeting Minutes**

### **SCADC Rural Transportation Planning Organization Steering Committee Meeting Minutes: September 17, 2025**

The 25th meeting of the South Central Alabama Development Commission Rural Transportation Planning Program Steering Committee was held on September 17, 2025, at 10:30 AM at the offices of South Central Alabama Development Commission in Montgomery, Alabama. Mayor Rheba Knox, Town of Franklin, chaired the meeting and called the meeting to order. Roll was called for the Steering Committee and a quorum was declared present. A copy of the attendance roster is attached and made a part of these minutes. Mayor Knox asked members to review the minutes from the September 12, 2024 and September 21, 2023 Steering Committee meetings that were included in their agenda package. Mr. George Sims made a motion to approve both sets of minutes as presented; Mr. Tyson Howard seconded the motion. The motion carried.

#### **Business**

During the Communications and Updates portion of the meeting, committee members took the opportunity to update everyone on transportation activities in their respective areas. Following the county updates, Ms. Delaney presented public involvement conducted for the ALDOT Statewide Bicycle and Transportation Plan Update in October 2024. Ms. Delaney then presented four documents for review by the Steering Committee: the SCARPO FY 2026 Work Program; the SCARPO Guiding Principles; the SCARPO Public Involvement Plan; and the 2025 Human Services Coordinated Transportation Plan Update. Ms. Tracy Delaney stated that the FY24 Work Program Budget will remain level at \$74,156 so that SCADC can continue to assist ALDOT with public involvement efforts. There were no suggestions for amendments to either the Guiding Principles, the Public Involvement Plan, or the 2025 Human Services Coordinated Transportation Plan Update. Resolutions were presented to approve the FY26 Work Program, Guiding Principles the Public Involvement Plan, and the 2025 Human Services Coordinated Transportation Plan Update. Following the review, Mr. George Sims made a motion to adopt Resolution 25-01 to approve the South Central Alabama Rural Transportation Planning Organization FY26 Work Program; Resolution 25-02 to Approve the South Central Alabama Rural Transportation Planning Organization Guiding Principles; Resolution 25-03 to Approve the South Central Alabama Planning Organization Public Involvement Plan; and Resolution 25-04 to Approve the 2025 Human Services Coordinated Transportation Plan Update. Mr. Tyson Howard seconded the motion to adopt all four resolutions. The motion carried. Copies of the resolutions are included.

Mr. David Hutchison, of Butler County Commission for Economic Development, made a presentation on how RPO funds were used to conduct a traffic impact study for a new drive-thru restaurant in Georgiana, Butler County. Then Ms. Delaney presented the transportation component of the Notasulga Comprehensive Plan. In the last item of business, Ms. Delaney presented the list of transportation needs and issues that had been identified through the 2025 Rural Transportation Planning Process. The lists were reviewed and updated by committee members during the meeting.

#### **Comments, Next Meeting Date and Adjourn**

With there being no further items for discussion, Mr. Sims made a motion to adjourn the meeting. Mr. DeShazo provided a second. With no further comments, Mayor Peavy adjourned the meeting at 12.54 PM.

Respectfully submitted,  
Tracy Delaney

**South Central Alabama Rural Transportation  
Planning Organization Steering Committee**

**RESOLUTION 25-01  
Adoption of the Fiscal Year 2026 Work Program of the  
South Central Alabama Rural Transportation Planning Organization**

**WHEREAS**, the South Central Alabama Rural Transportation Planning Organization (RPO) was established to serve as the decision-making body and to provide guidance to local governments in conducting the non-metropolitan cooperative planning process, in cooperation with the Alabama Department of Transportation, for all of Bullock, Butler, Crenshaw, Lowndes, Macon and Pike Counties in Alabama, as established in 23 USC 134 and 135 (as amended by the Infrastructure Investment and Jobs Act 11201, November 2021).

**WHEREAS**, the South Central Alabama RPO is interested in the continued development of the non-metropolitan cooperative transportation planning process as described in 23 CFR 450.210(b) through on-going public involvement and data collection of the rural transportation needs and issues of the citizens in the aforementioned counties; and

**WHEREAS**, the South Central Alabama Development Commission, serving as staff to the RPO is required to provide guidance to local governments in conducting the non-metropolitan planning process as a cooperative effort with the Alabama Department of Transportation as established in the Notice of Proposed Rulemaking May 2021; and

**WHEREAS**, the South Central Alabama Development Commission has prepared a FY 2024 Work Program outlining the tasks necessary to accomplish the goals of the cooperative planning process and the Rural Planning Organization; and

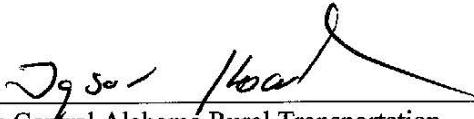

**WHEREAS**, the FY 2026 RPO Work Program has been duly reviewed, discussed, and adopted by the South Central Alabama Development Commission Board of Directors; and

**WHEREAS**, the FY 2026 RPO Work Program has been duly reviewed and discussed by the South Central Alabama Rural Transportation Planning Organization Steering Committee.

**NOW THEREFORE, BE IT RESOLVED**, this 17th day of September, 2025 that the South Central Alabama RPO does hereby adopt and endorse the FY 2026 Work Program as the guide for tasks to be completed for the cooperative planning process.

Planning Organization Coordinator

**South Central Alabama Rural Transportation  
Planning Organization Steering Committee**

**RESOLUTION 25-02  
Approval of the Guiding Principles of the  
South Central Alabama Rural Transportation Planning Organization**

**WHEREAS**, the South Central Alabama Rural Transportation Planning Organization Steering Committee was formed to facilitate consultation between local officials and the Alabama Department of Transportation; and

**WHEREAS**, the South Central Alabama Rural Transportation Planning Organization Steering Committee shall carry out transportation consultation, planning and programming functions as set forth in any agreements entered into by this process by and between the South Central Alabama Development Commission and the State of Alabama Department of Transportation, the United States Department of Transportation, or in such manner as events shall dictate; and

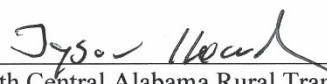

**WHEREAS**, the *Guiding Principles of the South Central Alabama Rural Transportation Planning Organization* constitutes the procedures and responsibilities that will serve to establish, organize, and guide the proper functioning of the South Central Alabama Rural Transportation Planning Organization; and

**WHEREAS**, an annual review and discussion of the *Guiding Principles of the South Central Alabama Rural Transportation Planning Organization* was conducted by the South Central Alabama Rural Transportation Planning Organization Steering Committee in a regular meeting on Wednesday, September 17, 2025.

**NOW THEREFORE BE IT RESOLVED**, this 17th day of September, 2025 that the South Central Alabama Rural Transportation Steering Committee does hereby approve the *Guiding Principles of the South Central Alabama Rural Transportation Planning Organization Process* as the continuing guide for the proper functioning of the South Central Alabama Rural Transportation Planning Process.

**Steering Committee Meeting Minutes: September 12, 2024**

The 24th meeting of the South Central Alabama Development Commission Rural Transportation Planning Program Steering Committee scheduled for September 12, 2024 was cancelled due to lack of attendance. In lieu of an in-person meeting, an email vote was taken for the adoption of the proposed *Resolution 24-01 to Approve the South Central Alabama Rural Transportation Planning Organization FY 2025 Work Program*. Resolution 24-01 was adopted with ten affirmative votes and no dissenting votes. A talley of the email votes and a copy of the signed resolution are attached and made a part of these minutes.

Respectfully submitted,  
Tracy Delaney

**South Central Alabama Rural Transportation Planning Organization  
Steering Committee  
RESOLUTION 24-01  
Adoption of the Fiscal Year 2025 Work Program of the  
South Central Alabama Rural Transportation Planning Organization**

WHEREAS, the South Central Alabama Rural Transportation Planning Organization (RPO) was established to serve as the decision-making body and to provide guidance to local governments in conducting the non-metropolitan cooperative planning process, in cooperation with the Alabama Department of Transportation, for all of Bullock, Butler, Crenshaw, Lowndes, Macon and Pike Counties in Alabama, as established in 23 USC 134 and 135 (as amended by the Infrastructure Investment and Jobs Act 11201, November 2021).

WHEREAS, the South Central Alabama RPO is interested in the continued development of the non-metropolitan cooperative transportation planning process as described in 23 CFR 450.210(b) through on-going public involvement and data collection of the rural transportation needs and issues of the citizens in the aforementioned counties; and

WHEREAS, the South Central Alabama Development Commission, serving as staff to the RPO is required to provide guidance to local governments in conducting the non-metropolitan planning process as a cooperative effort with the Alabama Department of Transportation as established in the Notice of Proposed Rulemaking June 13, 2014; and

WHEREAS, the South Central Alabama Development Commission has prepared a FY 2025 Work Program outlining the tasks necessary to accomplish the goals of the cooperative planning process and the Rural Planning Organization; and

WHEREAS, the FY 2025 RPO Work Program has been duly reviewed, discussed, and adopted by the South Central Alabama Development Commission Board of Directors; and

WHEREAS, the FY 2025 RPO Work Program has been duly reviewed and discussed by the South Central Alabama Rural Transportation Planning Organization Steering Committee.

NOW THEREFORE, BE IT RESOLVED, this 25th day of September, 2024 that the South Central Alabama RPO does hereby adopt and endorse the FY 2025 Work Program as the guide for tasks to be completed for the cooperative planning process.

- 5.0 Steering Committee Guiding Principles
- 6.0 Advisory Committee Guiding Principles
- 7.0 Coordinator Guiding Principles

9

## SCADC RPO Guiding Principles:

### 3.0 General Policies

- A. All policies shall apply to all committees and participants
- B. All reports, programs, and plans shall be presented to the South Central Alabama Rural Transportation Steering Committee for their review.
- C. The South Central Alabama Rural Transportation Steering Committee and the South Central Alabama Development Commission shall proceed with their respective responsibilities and duties with proper consideration at all times, for all modes of transportation and associated facilities.
- D. All studies undertaken in this process shall be coordinated with individual modal planning programs and with comprehensive planning efforts in the area.
- E. Rural Transportation Planning Organization activities shall be used to promote efficient development.
- F. All published data and/or reports shall be made available to the public and agencies.

10

## SCADC RPO Guiding Principles:

### 5.0 Steering Committee Guiding Principles Purpose

- A. The purpose of the South Central Alabama Rural Transportation Steering Committee will be to serve South Central Alabama as the decision making body for the South Central Alabama Rural Transportation Planning Organization and to provide guidance to the South Central Alabama Development Commission in conducting the process.

### 5.2 Membership

For each county:	Representative of County Commission Municipal Representative County Engineer
ALDOT:	Sixth Division Engineer Seventh Division Engineer
SCADC:	Executive Director (SCARPO Coordinator) SCADC Aging Director

### 5.3 Officers - None

11

## SCADC RPO Guiding Principles:

### 6.0 Advisory Committee Guiding Principles Purpose

...will be to serve each county in the capacity of reviewing and prioritizing local rural transportation needs and issues, reviewing and guiding data collection for each county and making recommendations to the South Central Alabama Rural Transportation Steering Committee, as necessary, regarding local projects.

### 7.0 Coordinator Guiding Principles Purpose

The purpose of the coordinator is to ensure that all requirements of the South Central Alabama Rural Transportation Planning Process are met.

### Section 7.1: Designation

The Executive Director of the South Central Alabama Development Commission shall be the Rural Transportation Planning Organization Coordinator for the South Central Rural Transportation Planning Organization. In the absence of the Executive Director, that individual shall designate a staff member to serve as Coordinator.

12

## SCADC RPO Public Involvement Plan:

*Last Reviewed and Amended September 21, 2023*

### VISION STATEMENT

Establish a continuous and on-going rural transportation planning process aiding in the identification of transportation needs and issues

### GOALS

- I. Open Process
- II. Information Access
- III. Notice of Activities
- IV. Public Input and Committee Response
- V. Inclusive Process

### STRATEGIES

### PERFORMANCE MEASURES

13

## Public Involvement Strategies:

- A. Develop and follow a Public Involvement Plan; Review the plan at least every five years
- B. Maintain a Rural Transportation Stakeholder List in each of the six counties.
- C. All committee meetings open to the public.  
Provide non-committee members an opportunity to participate in process.
- D. Provide notice for all county Rural Transportation Stakeholder meetings.  
Provide notice to local media representatives and groups that address the needs of low-income groups, minorities, persons with disabilities, and senior citizens.
- E. Provide a notice for all to groups that address the needs of persons with disabilities.  
Follow all of the requirements of the Americans with Disabilities Act.
- F. Consider all legitimate inquiries and comments regarding transportation planning activities. When warranted, a written response will be provided.
- G. Maintain a record of public involvement.
- H. Make technical data available to the general public and government agencies.
- I. Encourage the publication of news articles on the transportation planning process.
- J. Be available for speaking engagements concerning the transportation planning process.

14

## South Central Alabama 2025 Human Services Coordinated Transportation Plan:

The purpose of the 2025 South Central Alabama Human Services Coordinated Transportation Plan (HSCTP) is to identify barriers to transportation and transit services, as well as to develop a prioritized list of strategies for increased coordination among both public and private transportation providers and opportunities for increased transportation services.

15

## South Central Alabama 2025 Human Services Coordinated Transportation Plan:

Enacted in 2021, the Infrastructure Investment and Jobs Act (IIJA) continues the Federal Transit Administration's requirement for participation in a human services coordinated transportation plan for funding through Section 5310: Enhanced Mobility of Seniors & Individuals with Disabilities.

16

## South Central Alabama 2025 Human Services Coordinated Transportation Plan:

Specifically, the legislation requires that specialized transit projects be included in a locally developed, coordinated human services plan. Required elements of the plan include

- (1) an assessment of available services,
- (2) an assessment of transportation needs,
- (3) strategies, activities, and/or projects to address gaps, needs, and efficiency improvements, and
- (4) priorities for implementation based on resources, time, and feasibility of implementation.

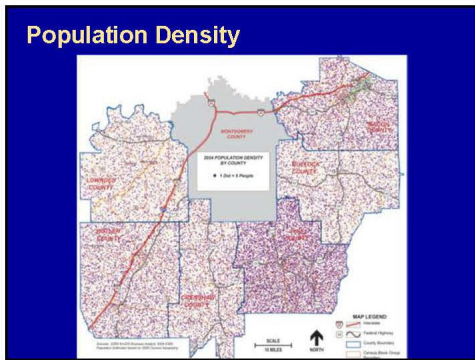

17

## South Central Alabama 2025 Human Services Coordinated Transportation Plan:

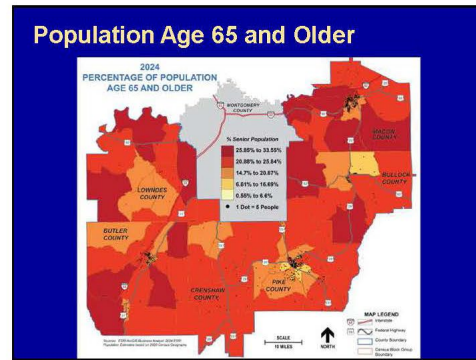

Areas with high transportation needs were determined based on data collected for target population groups:

- senior citizens;
- persons with a disability;
- unemployed persons;
- high poverty levels; and
- households with no vehicle available.

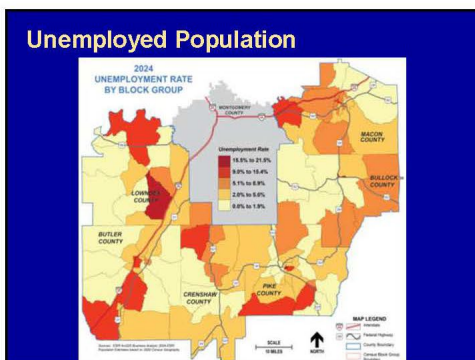

18

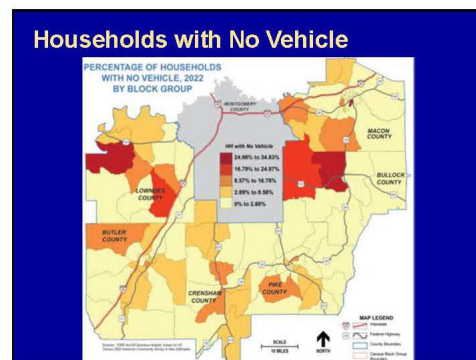

19

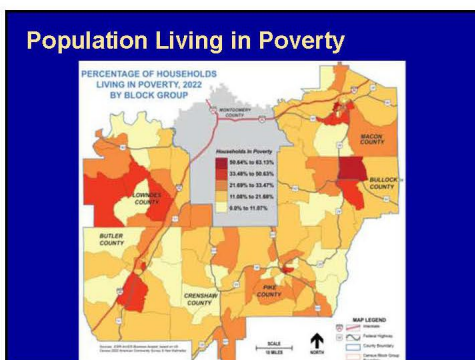

20

21

22

23

24

### Unmet Needs and Strategies:

- Services to Special Needs Populations
- Removal of Employment Barriers
- Existing Transportation Infrastructure
- Expansion and Improvement of Existing Transit Services
- Establish New Transit Systems
- Coordination of Existing and Future Transit Services
- Public Education About Transit Services
- Funding

25

### Resolutions:

- Resolution 25-01 Approve the South Central Alabama Rural Transportation Organization FY 24 Work Program*
- Resolution 25-02 Approve the South Central Alabama Rural Transportation Planning Organization Guiding Principles*
- Resolution 25-03 Approve the South Central Alabama Rural Transportation Planning Organization Public Involvement Plan*
- Resolution 25-04 Approve the 2025 South Central Alabama Human Services Coordinated Transportation Plan*

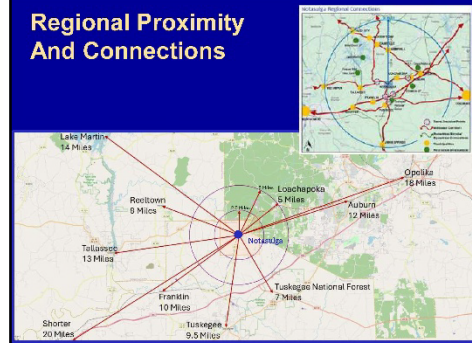

26

### Notasulga Comprehensive Plan Transportation Element

27

### Regional Proximity And Connections

28

### Development Concept

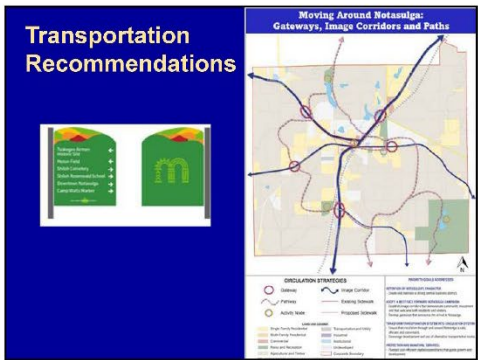

29

### Transportation Recommendations

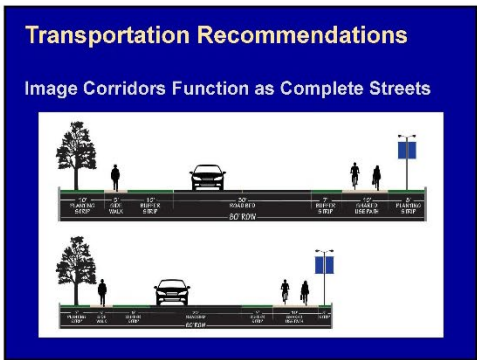

- Gateways and Image Corridors
- Active Retail and Commercial Spaces at Pedestrian Scale
- Strong Pedestrian Connections
- Ensure Neighborhoods Have a Pedestrian Connection to Downtown
- Highway 14 Access Management
- Wayfinding
- Equestrian Facilities and Pathways

South Central Alabama Development Commission  
Minutes of Board of Directors' Meeting

February 19, 2025

The Board of Directors of South Central Alabama Development Commission met at 8:30 a.m. on February 19, 2025, in the Commission conference room. Members present were: Linda Barresi, Chad Copeland, George Davis, Darryl Elliott, Jan Fountain, Tony Haygood, David Hutchison, Reba Knox, Louis Maxwell, David Padgett, Melissa Sanders, Robyn Snellgrove, Jacquelyn Thomas, and Joe Turnham. Staff present included Tyson Howard, Ashton Hutchison, Jennifer Kilpatrick, Anna Lee, James Paterson, Jacob Poole, and Beth Rosser.

Melissa Sanders, in the absence of Mildred Whittington, Chairman, called the meeting to order at 8:30 a.m. and Louis Maxwell gave the invocation.

Lawrence Haygood, Secretary, presented the Minutes of the November 20, 2024 meeting. A motion to be approved was made by Darryl Elliott. Seconded by Louis Maxwell. Motion carried unanimously.

Jacquelyn Thomas, Treasurer, presented the financial statements for the period ending December 31, 2024. Louis Maxwell made a motion for the financial statements to be approved as presented. Seconded by Darryl Elliott. Motion carried unanimously.

The Aging report was given by Jennifer Kilpatrick, Aging Director. Ms. Kilpatrick gave the Area Agency on Aging estimated budget and Medicaid Waiver Program update. She also gave an update on the Area Plan on Aging 2026-2029-Needs Assessment.

Ashton Hutchison, Director of Community and Economic Development, distributed the CED Work Schedule and noted various active projects. Ms. Hutchison then discussed deadlines and dates for various applications.

Tyson Howard then introduced Joe Turnham, Economic Development Director from Macon County, who gave a presentation concerning a proposal for a new business, ITAC Alabama LLC, to be located in the Tuskegee Industrial Park. Mr. Turnham said that the City of Tuskegee had options to purchase six parcels of land adjacent to the Industrial sub-site. In his presentation, Mr. Turnham stated that the City of Tuskegee would like to borrow \$1,000,000.00 from the SCADC Revolving Loan Fund program to acquire the land. After much discussion, a motion was made by Darryl Elliott to be approved as presented. Seconded by Jackie Thomas. The agreement was made by the board to loan the City of Tuskegee \$1,000,000.00 to be paid back no later than 18 months after closing date at 5% compounded interest. It was also agreed

upon to complete the Memorandum of Agreement by both parties.

Tyson Howard then discussed the Human Services Coordinated Transportation Plan 2024 Update.

Finally, Tyson Howard gave the Executive Director's Report and closing remarks.

There being no further business, the meeting was adjourned.

Respectfully submitted,

A handwritten signature in cursive script, reading "Lawrence F. Haygood, Jr.", written in dark ink.

Lawrence F. Haygood, Jr.,  
Secretary

## **HUMAN SERVICES COORDINATED TRANSPORTATION PLAN 2024 UPDATE**

To be eligible for Federal Transit Administration (FTA) program funds, including but not limited to Section 5310 (Enhanced Mobility of Seniors and Individuals with Disabilities), proposed projects must be derived from a locally-developed human services coordinated transportation plan (HSCTP). Therefore, it is essential that all public transportation providers participate in this planning process, as that is a part of the eligibility for transportation funds, such as senior vans or busses. The plan will identify barriers to transportation, as well as a prioritized list of strategies for increased coordination among both public and private transportation providers and opportunities for increased transportation services.

The flyer that has been distributed shows concentrations of population with high transportation needs based on five target population groups:

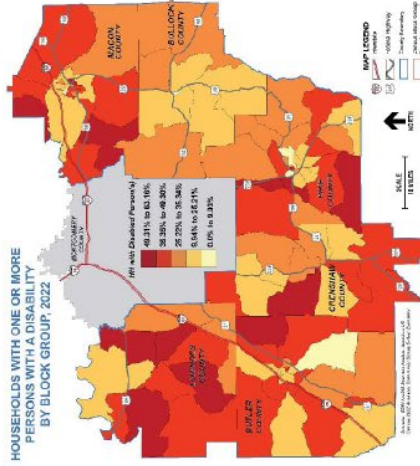

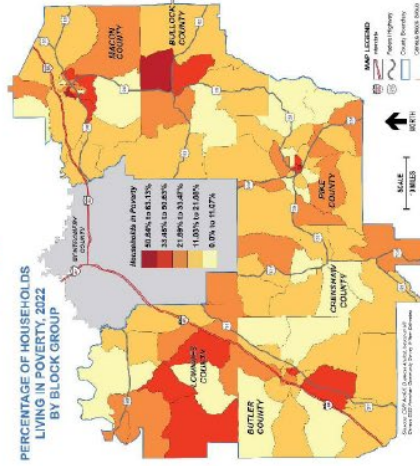

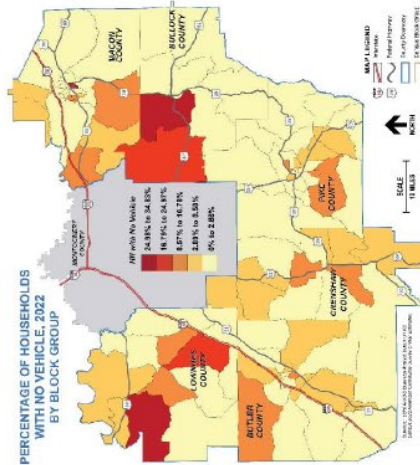

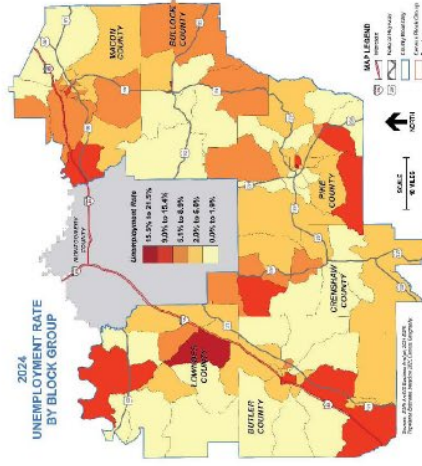

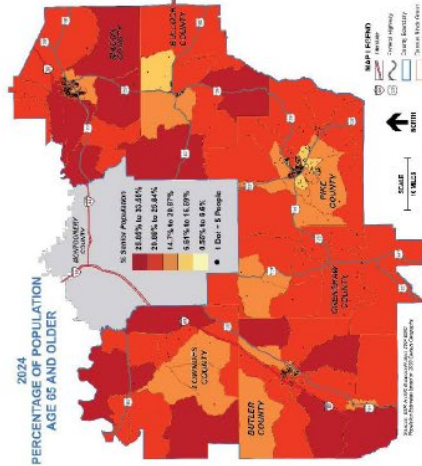

- Senior citizens,
- Persons with a disability,
- Unemployed persons,
- High poverty levels, and
- Households with no vehicle available.

Not surprisingly, those target population groups are often found in the parts of our region that have the lowest population density, which only increases the need. The next step is to identify the most common transportation destinations, as well as, the most common times of the day when transportation is needed. We will soon be emailing a survey link to help with gathering that information and will be conducting meetings with transportation stakeholders to review and develop strategies for increased coordination of transportation services. Please be on the look out for that survey, pass it along to other persons you know that may have a transportation need. Also, please participate, or encourage someone in your organization to participate, in the upcoming Human Services Coordinated Transportation Plan meetings. If you have any questions, contact Tracy Delaney at 334-590-0655, or email her, at [dcs@roadrunner.com](mailto:dcs@roadrunner.com).

## Human Services Coordinated Transportation Plan County Overview of Population Groups with High Transportation Needs

The purpose of the South Central Alabama Regional Human Services Coordinated Transportation Plan is to identify transportation needs and coordinate opportunities, particularly among publicly funded transportation providers. Additionally, the plan looks at opportunities for increased coordination with transportation providers that receive other program funds or are privately operated. The final plan will identify transportation barriers and provide prioritized strategies to improve public transportation services. Areas with high transportation needs were determined based on data collected for target population groups: elderly, disabled, economically disadvantaged, and unemployed persons, as well as households with no vehicle available. An overview of target populations is shown geographically in the maps below.

County	Total Population	Population Density	% of Senior Population	Unemployment Rate	% of HH with No Vehicle	% of HH in Poverty	% of HH with Disability
Bullock	10,211	16.4 p/sq mi	19.43%	2.6%	8.02%	28.99%	20.55%
Butler	18,509	23.8 p/sq mi	22.97%	4.5%	2.85%	19.24%	30.07%
Crenshaw	12,922	21.2 p/sq mi	22.68%	3.9%	4.10%	19.0%	34.06%
Lowndes	9,764	13.6 p/sq mi	23.08%	5.0%	9.74%	25.02%	45.31%
Macon	18,483	30.4 p/sq mi	21.28%	5.2%	4.83%	24.13%	34.37%
Pike	33,132	49.3 p/sq mi	17.59%	4.2%	2.90%	22.95%	30.34%

**South Central Alabama Development Commission  
Draft Minutes of the Board of Directors' Meeting**

August 24, 2025

The Board of Directors of the South Central Alabama Development Commission (SCADC) met at 8:30AM on Wednesday, August 27, 2025 at the office of the SCADC, located at 5900 Carmichael Place, Montgomery, Alabama. Members present were: George Davis, Mayor Lawrence (Tony) Haygood, David Hutchison, David Padgett, Melissa Sanders, and Probate Judge Will Tate. Staff and contractors present included Tracy Delaney (Delaney Consultant Services, Inc.), Tyson Howard, Ashton Hutchison, Jennifer Kilpatrick, Anna Lee, James Paterson, Jacob Poole, and Beth Rosser.

In the absence of Chair Mildred Whittington, Vice Chair Melissa Sanders called the meeting to order at 8:34 AM and James Paterson provided the invocation. The minutes of the February 19, 2025 meeting were presented. David Padgett made a motion to approve the minutes; David Hutchison provided a second. Motion approved unanimously.

In the absence of Treasurer Jackie Thomas, Tyson Howard presented the agency financial report for the quarter ending June 30, 2025. Mr. Hutchison made a motion to approve the financial report as presented; Mayor Haygood provided a second. The motion was unanimously approved. Next, Mr. Howard presented the FY 2026 Annual Budget of approximately \$7.25 million, adding that the budget did include merit raises in response to a question from Ms. Sanders. Mayor Haygood made a motion to approve the FY 2026 Budget, as presented; Mr. Padgett provided a second. The motion was unanimously approved.

Tracy Delaney presented a transportation report, stating that there are three resolutions for transportation programs to be reviewed. The first was a resolution to enter into an agreement with the Alabama Department of Transportation (ALDOT) relating to a Cooperative Process for Rural Transportation Planning. Judge Tate made a motion to approve the resolution to enable the SCADC to enter into an agreement with ALDOT to conduct a rural transportation planning cooperative process; George Davis provided a second. The resolution was unanimously approved. The second resolution was to adopt the FY 2026 Work Program for the South Central Alabama Rural Transportation Planning Program (RPO). Ms. Delaney stated that the program budget for the upcoming year is the same as the previous year at \$74,156. Mr. Hutchison provided an example of a project just completed in Georgiana with RPO funds. Past projects in other communities were also discussed and Board Members were asked to contact Mr. Howard or Ms. Delaney if they had any transportation planning needs. Mr. Hutchison made a motion to approve the resolution for the South Central Alabama RPO FY 2026 Work Program; Mr. Padgett seconded the motion. The resolution was unanimously approved. Next, Ms. Delaney presented an executive summary of the 2025 South Central Alabama Human Services Coordinated Transportation Plan (HSCTP) that must be updated every five years as a guideline for rural transportation and transit services in the region. Board members reviewed the summary. Mr. Padgett made a motion to approve the resolution to adopt the 2025 South Central Alabama Human Services Coordinated Transportation Plan; Mr. Davis provided a second. The resolution was unanimously approved.

Jennifer Kilpatrick presented the Aging Report. Ms. Kilpatrick reviewed the 2026-2029 SCADC Area Plan on Aging, stating that the plan is updated every four years and that a copy is available on the agency website for comment until Friday, August 29, 2025. She described the process in developing the plan regarding surveys and public hearings. She further stated that the plan includes goals, objectives, strategies and outcomes, along with a demographic and health profile for each county. Judge Tate made a motion to approve the 2026-2029 SCADC Area Plan on Aging, as presented; Mr. Hutchison seconded the motion. The motion was unanimously approved.

Ashton Hutchison provided a report on Planning and Economic Development, stating that each Board Member had a copy of the agency's current work program. She informed the board that staff members had recently submitted numerous applications on behalf of member governments through Southeast Crescent Regional Authority, Delta Regional Authority and the Community Development Block Grant Program. She

further stated that staff members are now working on applications for Land and Water Conservation Fund, Recreational Trails Program, and the Appalachian Regional Commission. It was noted that the project management funds had increased about \$20 million since last year to \$72 million. Mr. Howard noted that these project management funds are in addition to the agency budget funds that staff members manage for local governments.

Mr. Howard gave the Director's Report and provided a statewide outlook on funding programs. He then thanked everyone in attendance for being there.

With there being no further business, the meeting was adjourned.

Respectfully submitted,

Lawrence F. Haygood, Jr.  
Secretary

(1) SCADC August Board FY26 RPO Work Program Resolution

**Resolution**

**Adoption of the  
Fiscal Year 2026 Work Program  
of the South Central Alabama Rural  
Transportation Planning Organization (RPO)**

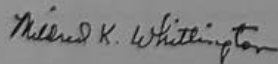

**WHEREAS**, the Alabama Department of Transportation (ALDOT) has contracted with the South Central Alabama Development Commission (SCADC) to administer the Cooperative Process for Rural Transportation Planning for all of Bullock, Butler, Crenshaw, Lowndes, Macon, and Pike Counties, pursuant to the requirements and applicable provisions of Title 23 USC 134 and 135 (as amended by the Infrastructure Investment and Jobs Act 11201, November 2021), and others that may be relevant; and

**WHEREAS**, the South Central Alabama Rural Transportation Planning Organization (RPO) continues to be interested in further development of the rural transportation planning process with ongoing public involvement and data collection regarding the rural transportation needs and safety issues of the above counties; and

**WHEREAS**, the South Central Alabama Development Commission, as staff to the Rural Transportation Planning Organization, is required to provide guidance to local governments in conducting the non-metropolitan planning process as a cooperative effort with the Alabama Department of Transportation as established in the Notice of Proposed Rulemaking May 2021; and

**WHEREAS**, the Board of Directors of the South Central Alabama Development Commission, recognizing the value of a rural transportation planning process in the collection and distribution of rural transportation data in the region, and supporting the South Central Alabama Development Commission and in accordance with 23 CFR 450.308(d), has prepared a FY 2026 Work Program that outlines the tasks necessary to accomplish the goals of the Rural Transportation Planning Organization and the cooperative planning process; now

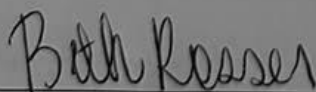

**THEREFORE, BE IT RESOLVED**, this 27th day of August, 2025, that the Board of Directors of the South Central Alabama Development Commission does hereby authorize the submittal of the *South Central Alabama Rural Planning Organization FY 2026 Work Program* as the guide for tasks to be completed by the Rural Planning Organization between October 1, 2025 and September 30, 2026.

---

Mayor Mildred Whittington, Chair

(2) SCADC August Board Human Services Coordinated Transportation Plan Resolution

**RESOLUTION**  
**Approval of the 2025 South Central Alabama**  
**Human Services Coordinated Transportation Plan**

**WHEREAS**, the Alabama Department of Transportation (ALDOT) has contracted with the South Central Alabama Development Commission (SCADC) for the development of the 2025 Human Services Coordinated Transportation Plan for Bullock, Butler, Crenshaw, Lowndes, Macon and Pike Counties; and

**WHEREAS**, the Federal Transit Administration's Enhanced Mobility of Seniors & Individuals with Disabilities Program (Section 5310) requires funded projects to be derived from a locally developed plan; and

**WHEREAS**, public transportation and public transit continue to be identified by local citizens in the South Central Alabama Region as primary needs and concerns; and

**WHEREAS**, the *2025 South Central Alabama Human Services Coordinated Transportation Plan* has been developed to reflect the unmet needs and strategies for the provision of coordinated transportation services in the South Central Alabama Region, as of August 2025; and

**WHEREAS**, the *2025 South Central Alabama Human Services Coordinated Transportation Plan* has been duly reviewed and discussed by the Board of Directors of the South Central Alabama Development Commission.

NOW THEREFORE BE IT RESOLVED, this 27th day of August, 2025, that the Board of Directors of the South Central Alabama Development Commission does hereby adopt the *2025 South Central Alabama Human Services Coordinated Transportation Plan* as a guideline for rural public transportation and public transit in the South Central Alabama Region.

---

Mayor Mildred Whittington, Chair

Attest:

## Unmet Transportation Needs and Strategies

Listed below are the unmet transportation needs and issues that have been identified during the process of updating the 2025 South Central Alabama Human Services Coordinated Transportation Plan. Each need is followed by a list of strategies, with priority strategies in bold italic type.

- UNMET NEED: Services to Special Need Populations**
  - Expand existing services to senior citizens and disabled persons to reach those citizens that are not currently served*
  - Expand existing services to accommodate other errands while traveling for nutritional purposes.*
  - Expand existing services to meet the transit needs of low-income persons through fee reductions and increased service.*
- Identify special needs persons and groups of population within each county, with particular emphasis on how to transport them in an emergency event.

- UNMET NEED: Removal of Employment Barriers**
  - Work with major employers to initiate incentive programs for carpooling and ride-sharing.*
  - Reach unemployed persons in terms of location and awareness of services. Transportation services cannot continue to be the barrier to employment.*
  - Establish transportation for employment that extends beyond county boundaries.
  - Specifically target transportation system expansion to meet the needs of local and nearby employers in terms of location and hours, including shift work.

- UNMET NEED: Existing Transportation Infrastructure**
  - Identify existing road conditions that limit the provision of transportation services in rural areas.*
  - Continue investigation of means to make necessary local bridge improvements that are necessary to facilitate individual transportation and transit systems, minimize detours and eliminate transportation safety hazards.*
  - Continue investigating means to make necessary local road improvements that are necessary to facilitate individual transportation and transit systems.
  - Look at long-term road improvements and extensions that will minimize the travel distance from rural areas to centralized service providers, such as healthcare.

### UNMET NEED: Expansion and Improvement of Existing Transit Services

- Maintain, sustain and expand, when possible, all existing transportation services and programs that serve the South Central Alabama region.*
- Identify transportation-dependent populations that need recurring health care facility visits and routine preventative care to decrease emergency care.
- Work with healthcare providers to establish rural transportation systems that serve the region and increase access to preventative care thereby decreasing the need for emergency care.
- Expand existing transportation services to meet the needs of the general public, along with the target populations

- UNMET NEED: Establish New Transit Systems**
  - Establish a countywide transportation system for all counties to serve both the general population and target population groups.*
  - Investigate potential for a regional transit system that connects each county transportation system and provides access around and outside the region.*
  - Design and construct feasible circulation patterns that facilitate the employment commuting patterns of the region

### UNMET NEED: Coordination of Existing and Future Transit Services

- Designate a Transportation Coordinator for each county, agency or person.*
- Expand volunteer programs to provide transportation services to assist in meeting the needs of other residents, including a "good neighbor program". Once database is complete, work with local non-profit organizations to make contacts, publicize and implement the program.*
- Inventory all existing vehicle resources including public and private schools and churches to fully outline all available resources. Clearly identify service gaps and expansion needs, as well as duplication of efforts.
- Compile service costs for all transportation providers and outline future costs of coordination of transportation services. Make this information available to all transportation providers and service agencies

### UNMET NEED: Public Education About Transit Services and Programs

- Identify and publish schedule for trips outside of counties and purposes thereof.*
- Use media to educate community about transportation needs and costs.
- Conduct local workshops to generate ideas and methodology for sharing resources and facilities

### UNMET NEED: Funding

- Reduce cost of contract transportation services to encourage participation by local agencies to offset cost for all entities.*
- Provide transportation funding program information to all transportation providers and service agencies.*
- Conduct workshops to inform transportation providers on available funds and eligibility requirements.*
- Increase funding to schedule regular evening and weekend transportation services.
- Look for partners, not intrinsically involved in transportation services, to help promote the benefits of public transportation services.
- Advocate strongly for state funding and increased local funding.
- Work with local transportation providers to ensure that information regarding funding mechanisms is readily available to relevant organizations

*Sincere appreciation is extended to the many citizens, local governments and agencies in the South Central Alabama Region. As transportation providers and users, each of you contributed to the process of making this plan complete. If not for your willingness to answer questions, share information and ideas, and your openness to sharing and coordinating resources, it would not be possible to conceive of an improved system of the delivery of transportation services.*

The purpose of the 2025 South Central Alabama and gaps in transportation and transit services have Human Services Coordinated Transportation Plan not changed much in the last 20 years since the (HSCTP) is to identify barriers to transportation and first HSCTP was developed in 2006, even though transit services, as well as to develop a prioritized improvements have been made. Instead, as the total list of strategies for increased coordination among population of the region continues to decrease, the both public and private transportation providers and percentage of the remaining population suffering opportunities for increased transportation services, from the same unmet transportation needs appears Enacted in 2021, the Infrastructure Investment to be increasing. The rural nature and low population density of the region is also problematic because it Administration's requirement for participation in a becomes no longer cost-efficient to provide services.

Of the total population of the South Central Alabama Region, 103,021 persons as of 2024, it is estimated that 20.6 percent is age 65 or older, and 32.5 percent of the total population is disabled. Additionally, a large portion of the population human services plan. Required elements of the plan is economically-disadvantaged as measured by include (1) an assessment of available services, (2) percentage of persons living at or below poverty level, an assessment of transportation needs (3) strategies, at 23.2 percent of the total region population. The activities, and/or projects to address gaps, needs, percentage of unemployed persons in the region, at and efficiency improvements, and (4) priorities 4.2 percent, has improved considerably from the 8.8 for implementation based on resources, time, and percent reported in the 2020 HSCTP. Further, it is feasibility of implementation. The 2025 South Central Alabama Human Services Coordinated Transportation in the region have no vehicle available, which equates to approximately 1,209 households. With an average household size across the region, at 2.89 persons per determined based on data collected for target household, the actual number of citizens impacted by population groups: senior citizens; persons with a lack of transportation. It is highly likely that there disability; unemployed persons; high poverty levels; and households with no vehicle available.

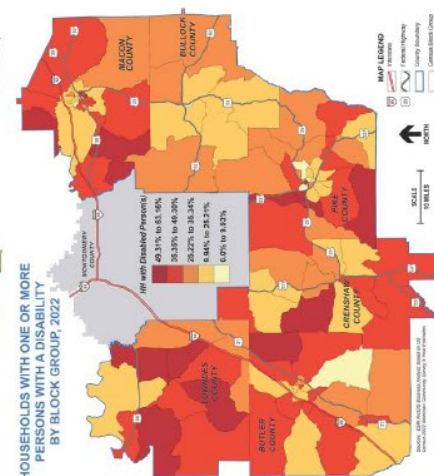

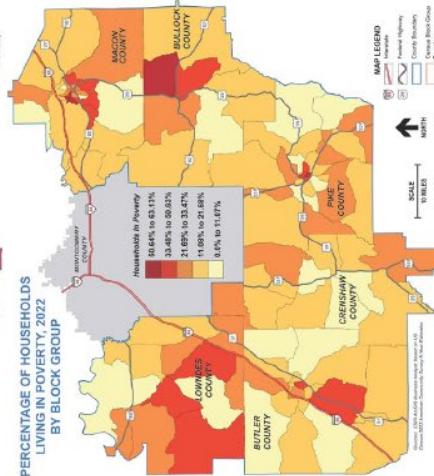

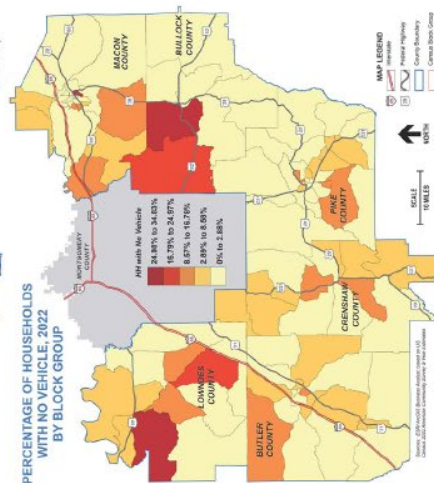

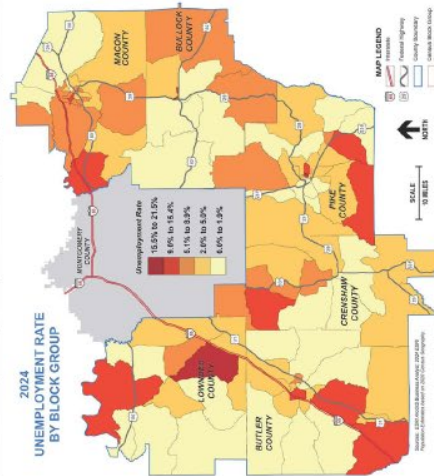

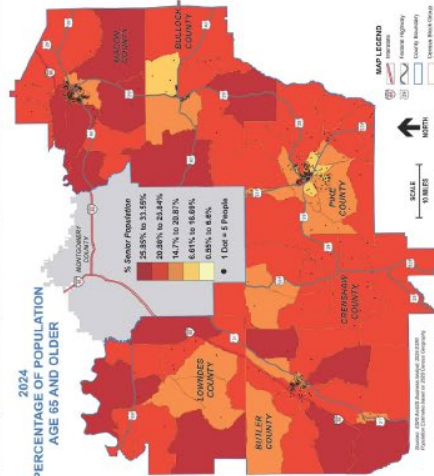

Not surprisingly the target population groups are often found in the parts of our region that have the lowest population density, which only increases the need. In fact, it was discovered during the planning process that the unmet needs transportation service.

## Population Groups with High Transportation Needs

The federal statutes for the Human Services Coordinated Transportation Plan specifically target five population groups: persons age 65 and older, unemployed persons, households with no vehicle, persons living in poverty, and persons with a disability. The maps below provide information on where the highest concentrations of the target population groups are located in each county of the South Central Alabama Region.

County	2024 Total Population	2024 Total Households	2024 Population Density	2024 Senior Population	2024 Unemployment Rate	2022 Households with No Vehicles	2022 Households in Poverty	2022 Households with Disability
Bullock County	10,211	3,508	15.4	1,984	2.8%	179	29.0%	709
Butler County	18,509	7,957	23.8	4,252	4.5%	144	19.2%	2,144
Crenshaw County	12,922	5,560	21.2	2,931	3.9%	148	19.0%	1,648
Lowndes County	9,764	4,150	13.6	2,354	5.0%	302	25.0%	1,813
Macon County	18,483	7,641	30.4	3,933	5.2%	217	24.1%	2,451
Pike County	33,132	13,992	49.3	5,827	4.2%	219	23.0%	3,640
<b>SCADC Region</b>	<b>103,021</b>	<b>43,228</b>	<b>25.6</b>	<b>21,181</b>	<b>4.2%</b>	<b>1,209</b>	<b>23.2%</b>	<b>12,405</b>

### 3. ALDOT Statewide Bicycle and Pedestrian Plan Update

Goals of the South Central Alabama Rural Transportation Planning Organization include (1) the identification of rural transportation needs and issues by local citizens, and (2) to assist the Alabama Department of Transportation (ALDOT) with public outreach and involvement, as needed. In October 2024 (FY 2025), SCADC assisted ALDOT in notification of public review and comment meetings for the Statewide Bicycle and Pedestrian Plan Update. Documentation of notification efforts are included on the following pages.

**ALDOT**  
Alabama Department of Transportation

Alabama Department of Transportation invites you to attend a public involvement meeting regarding the Statewide Bicycle and Pedestrian Plan Update.

Notice is hereby given that the Alabama Department of Transportation will hold a Public Involvement Meeting on the development of the Statewide Bicycle and Pedestrian Plan Update, SPR-000220691. The purpose of the meeting is to review information about the plan, and provide feedback on the draft statewide bicycle network and implementation strategies. This informal meeting will be held as follows:

Date: Thursday, November 7, 2024  
Time: 5:00 p.m. - 7:00 p.m.  
Location Name: Alabama Department of Transportation Southeast Region Montgomery Area Office  
Street Address: 1525 Coliseum Boulevard, Montgomery, Alabama 36110

This meeting is an informal open house format. Interested persons are invited to attend between the hours of 5:00 p.m. and 7:00 p.m. Representatives of ALDOT will be present to discuss the project. Provisions will be made to receive your comments at the meeting. Persons with disabilities needing special assistance should contact ALDOT at (334) 242-6044 at least five business days before the meeting and specify the type of assistance needed.

Public attendance is urged and input is solicited.

By order of the Alabama Department of Transportation, Mr. John R. Cooper, Director.

AARC

## 4. Rural Transportation Stakeholder Input

Goals of the South Central Alabama Rural Transportation Planning Organization include (1) the identification of rural transportation needs and issues by local citizens, and (2) to assist the Alabama Department of Transportation (ALDOT) with public outreach and involvement, as needed. In FY 2025, SCADC conducted an information and notification campaign to solicit public comments regarding rural transportation needs and issues. The campaign consisted of newspaper advertisements and community flyers. SCADC has developed a large contact list of rural transportation stakeholders with approximately 700 stakeholder contacts. Documentation of all information and notification efforts are included on the following pages.

# **South Central Alabama Rural Transportation Planning Organization Public Involvement Plan**

## **VISION STATEMENT**

It is the vision of the South Central Alabama Rural Transportation Steering Committee to establish a continuous and on-going rural transportation planning process that will aid in the identification of transportation needs and issues of the non-metropolitan areas of the South Central Alabama Region.

## **GOALS**

### **I. Open Process**

It is the goal of the South Central Alabama Rural Transportation Steering Committee to have an open planning process that encourages early and continued public participation.

### **II. Information Access**

It is the goal of the South Central Alabama Rural Transportation Steering Committee to provide complete and timely information regarding the plans, programs, procedures, policies, and technical data produced or used during the planning process to interested parties and the general public.

### **III. Notice of Activities**

It is the goal of the South Central Alabama Rural Transportation Steering Committee to provide timely and adequate public notice of hearings, meetings, document reviews, and document availability.

### **IV. Public Input and Committee Response**

It is the goal of the South Central Alabama Rural Transportation Steering Committee to demonstrate consideration and recognition of public input and to provide appropriate responses to public input.

### **V. Inclusive Process**

It is the goal of the South Central Alabama Rural Transportation Steering Committee to encourage participation in the planning process by low-income groups, minorities, persons with disabilities, and the elderly; and to consider the needs of these groups when developing programs and plans.

## STRATEGIES

- A. The South Central Alabama Rural Transportation Steering Committee will develop and follow a Public Involvement Plan and review the plan at least every five years.

Goals Addressed: I, II, III, IV, V

- B. The South Central Alabama Rural Transportation Steering Committee will maintain a Rural Transportation Stakeholder List in each of the following six counties: Bullock, Butler, Crenshaw, Lowndes, Macon and Pike.

Goals Addressed: I, II, III, IV, V

- C. All meetings of the South Central Alabama Rural Transportation Steering Committee and the County Rural Transportation Advisory Committees will be open to the public and will provide non-committee members an opportunity to participate in the planning process.

Goals Addressed: I, IV, V

- D. The South Central Alabama Rural Transportation Steering Committee will provide notice for all county Rural Transportation Stakeholder meetings. The notice will include the meeting purpose, date, time, and location of the meeting. The notice will be provided to local media representatives and groups that address the needs of low-income groups, minorities, persons with disabilities, and senior citizens.

Goals Addressed: I, II, III, V

- E. The South Central Alabama Rural Transportation Steering Committee will provide a notice for all Rural Transportation Stakeholder Meetings to groups that address the needs of persons with disabilities. The notice will include the meeting purpose, date, time, and location of the meeting. The notice will request that interested individuals, who need special accommodations, notify the South Central Alabama Rural Transportation Steering Committee prior to the date of the meeting so necessary arrangements can be made. The South Central Alabama Rural Transportation Steering Committee will follow all of the requirements of the Americans with Disabilities Act.

Goals Addressed: I, II, III, IV, V

- F. The South Central Alabama Rural Transportation Steering Committee will consider all legitimate inquiries and comments regarding transportation planning activities. When warranted, a written response will be provided.

Goals Addressed: I, IV, V

- G.** The South Central Alabama Rural Transportation Steering Committee will maintain a record of public involvement. The record will document the public involvement activities of the South Central Alabama Rural Transportation Steering Committee and the County Rural Transportation Stakeholder Committees.

Goals Addressed: I, II, IV

- H.** The South Central Alabama Rural Transportation Steering Committee will make available to the general public and government agencies all documents and appropriate technical data produced for the transportation planning process.

Goals Addressed: I, II, IV, V

- I.** The South Central Alabama Rural Transportation Steering Committee will encourage the publication of news articles on the transportation planning process.

Goals Addressed: I, II, III, V

- J.** The staff of the South Central Alabama Development Commission will be available for speaking engagements concerning the transportation planning process.

Goals Addressed: I, II, III, IV, V

## PERFORMANCE MEASURES

1. What was the attendance percentage of the South Central Alabama Rural Transportation Steering Committee Meetings?

Strategy Measured: C

2. What was the attendance at each of the County Rural Transportation Stakeholder Meetings?

Strategy Measured: B, D, E

3. How many citizens who were not elected officials, local government employees or transportation agency employees attended stakeholder committee meetings? What was the ratio of citizens to elected officials and employees?

Strategy Measured: B, D, E

4. What was the ratio of attendance at stakeholder meetings to meeting notices mailed?

Strategy Measured: D

5. How many standing committee meeting notices were posted in the local newspapers?

Strategy Measured: D

6. How many meeting notices were posted in public places?

Strategy Measured: D

7. Was the mailing list updated annually or more frequently?

Strategy Measured: D, E

8. What was the ratio of requests for special meeting accommodations to special arrangements made?

Strategy Measured: E

9. How many persons with disabilities attended stakeholder meetings? What percentage of meeting attendees were persons with disabilities?

Strategy Measured: E

10. How many complaints regarding the transportation planning process were received?

Strategy Measured: F

11. What was the ratio of inquiries or comments to responses?

Strategy Measured: F

12. Was the record of public involvement produced?

Strategy Measured: G

13. How many documents were produced?

Strategy Measured: H

14. How many documents were available on the web site?

Strategy Measured: H

15. How many requests for information were received (in-person, by telephone, and by mail)?

Strategy Measured: H

16. How many documents were distributed?

Strategy Measured: H

17. How many newspaper articles were published on the transportation planning process in the local newspapers?

Strategy Measured: I

18. How many speeches or presentations did the staff provide?

Strategy Measured: J

19. Was the Public Involvement Plan produced / updated?

Strategy Measured: A

20. How frequently was the Public Involvement Plan reviewed?

Strategy Measured: A

## Appendix C: Advisory Committee Members by County

<b>BULLOCK COUNTY</b>	
Patrick Smith, Administrator	Bullock County Commission
Mildred Whittington, Mayor	Town of Midway
Patrice Beacham, Clerk	Town of Midway
Ms. Terronda Hooks	City of Union Springs
Henry Thrasher, Jr.	Union Springs Public Works Director
Mr. Brian Agnew	Southern Land Management
Dr. Christopher Blair	Bullock County Board of Education
Courtney Woodfaulk	Bullock County Board of Education
Tony Cooper	Bullock County Board of Education
Mr. Ray Scottt	Bullock County Emergency Management Agency
Ms. Tracy Larkins, Director	Alabama Department of Human Resources - Bullock County
Mr. Stan Cope	Bonnie Plant Farms
David Padgett	Bullock County Development Authority
Sherri Curren	Union Springs Chamber of Commerce
Ms. Connie King	Bullock County Health Department
Rev. Ron Lee	First United Methodist Church
Mrs. Jeanette Lindsey	Bullock County Aging Services
Carla Elston	Bullock County Extension Coordinator
Ms. Sylvia Franklin	Private Citizen
Ms. Gwendolyn Lewis	Whispering Sands Farms
Mrs. Joyce Perrin	Union Springs Chamber of Commerce
Ms. Marion Milbry	Bullock County Commission
Nicole Nichols	Wayne Farms, LLC

<b>BUTLER COUNTY</b>	
Diane Kilpatrick, Administrator	Butler County Commission
Franklin Betterton, Mayor	City of Georgiana
Dee Blackmon, Clerk	City of Greenville
Lester Odom, Jr., Mayor	Town of McKenzie
Richard Branum	Butler County Land and Title
Garrett Luckie	City of Greenville
Dr. John Strycker	Butler County Board of Education
Slade Piggott	Butler County Board of Education
Ms. Mary Till, Transportation Secretary	Butler County Board of Education
Kris Ware	Butler County Emergency Management
Jennifer Langford	Butler County Department of Human Resources
Anthony Pinkston	Butler County Extension Coordinator
Mr. David Hutchison	Butler County Commission for Economic Development
Tracy Salter	Greenville Area Chamber of Commerce
Corey Kirkland	Butler County Health Department
David Norrell	Regional Medical Center of Central Alabama
Earnestine Scruggs	Georgiana Multipurpose Senior Center
Cathy Brown	Greenville Senior Center
Shirley Goodwin	Honoraville Multipurpose Senior Center
Mrs. Penny Wilson	Southern Care Hospice
Ms. Carolyn Griffin	Warrior Ministries
Mr. Jason Fox	Alabama Department of Transportation
Mr. Steve Harmon	Pioneer Electric
Mr. Cleveland Poole	Pioneer Electric
Ms. Ann Browder, Clerk	City of Georgiana
Ms. Lisa Garlock	GEMS Ambulance

<b>CRENSHAW COUNTY</b>	
David Smth	Crenshaw County Commission
Bernie Sullivan, Mayor	City of Brantley
Kathy Smyth, Councilmember	City of Luverne
Rita Brown, Clerk	Town of Rutledge
Sandra Berry, Clerk	Town of Glenwood
Michelle Royals, City Engineer	City of Luverne
Dodd Hawthorne, Superintendent	Crenshaw County Board of Education
Butch Norman	Crenshaw County Schools Transportation/Maintenance Dept
Elliot Jones	Crenshaw County EMA
Ms. Kristi Maddox	Crenshaw County DHR
Derek Bryan	Crenshaw County Extension Coordinator
Ms. Robyn Snellgrove	Crenshaw County Economic and Industrial Development Authority
Don Nix, President	Crenshaw County Chamber of Commerce
Mr. Vance Bailey	Bailey Wood Products
Ms. Sandi Smith	Helispec, Inc.
Corey Kirkland	Crenshaw County Health Department
David Hughes, CEO	Crenshaw Community Hospital
Rev. Mike Green	South Luverne Baptist Church
Anita West	Luverne Multipurpose Senior Center
Bertha Jones	Bradleyton/Helicon Multipurpose Senior Center
Mr. Morris Tate	JWM Engineering, Inc.
Ms. Shaunta Terry	Luverne Health and Rehabilitation
Patsy Husband, Secretary	Crenshaw County Schools Transportation/Maintenance Dept
Will A. Tate	Crenshaw County Probate Judge

<b>LOWNDES COUNTY</b>	
Jacquelyn Thomas, County Administrator	Lowndes County Commission
Ms. Cynthia Jones, Clerk	Town of Fort Deposit
Ms. Susie Smith, Clerk	Town of Hayneville
Julia Benton	Town of Lowndesboro
Brenda Davis, Clerk	Town of Gordonville
Kelvin Mitchell, Police Chief	Town of Hayneville
Jason Burroughs, Superintendent	Lowndes County Board of Education
Harvey Means, Director of Transportation	Lowndes County Board of Education
Santina Rodgers, E911 Director	Lowndes County EMA
Kristi Kitchens, Interim Director	Lowndes County Department of Human Resources
Tana Shealey	Lowndes County Extension
Richard Burleson, District Administrator	Lowndes County Health Department
Mary Edwards	Hayneville Multipurpose Senior Center
Yvonne Jones	Fort Deposit Senior Center
Jacquelyn Thomas	Lowndes County Rural Transportation
Ms. Catha Peterson	OCAP - Lowndes County

<b>MACON COUNTY</b>	
Susan Thomas, County Administrator	Macon County Commission
Rheba Knox, Mayor	Town of Franklin
Patricia Bunn, Clerk	Town of Notasulga
George Davis, Clerk	Town of Shorter
Fartima Bowen Clark, Clerk	City of Tuskegee
Jolai Jenkins	Tuskegee Planning Commission
Micha Segrest, Clerk	Town of Franklin
Dr. Jacqueline A. Brooks	Macon County Board of Education
Tracie H. Jackson, Transportation Supervisor	Macon County Schools
Frank Lee	Macon County Emergency Management Agency
Tonya Allen, Director	Macon County DHR
Wilbert Golden, Coordinator	Macon County Extension
Joe Turnham	Macon County Economic Development Authority
Karin Hopkins	Tuskegee Area Chamber of Commerce
Connie King, District Administrator	Macon County Health Department
Kimberly Lackey-Bowman, Director	Central Alabama Veterans Health Care System
Florence Pace-Tyner, Director Senior Citizens Department	City of Tuskegee
Jackie Jenkins	Prairie Farm Senior Center
Mary Jane Godfrey	Langford Multipurpose Senior Center
Kimberly Cobb-Ray	Macon-Russell Community Action Agency
